

# My Funny Valentine

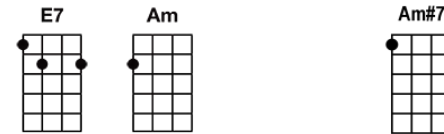

My funny valentine, Sweet comic valentine,

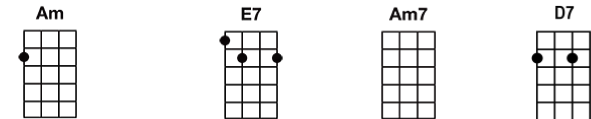

When you open it to speak, are you smart?

You make me smile with my heart.

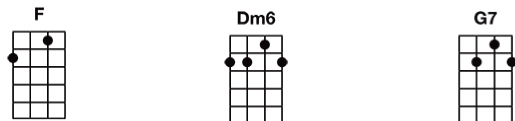

But, don't change a hair for me.

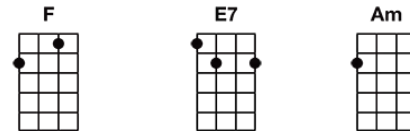

Your looks are laughable, un-photographable,

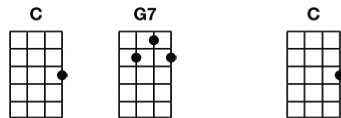

Not if you care for me.

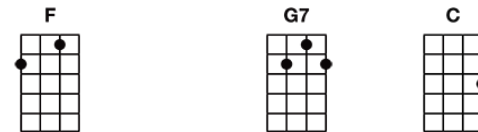

Yet, you're my favorite work of art.

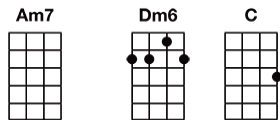

Stay little valentine, stay!

Is your figure less than Greek?

Each day is Valentine's Day

Is your mouth a little weak?
