

# Prayer of Thanksgiving

C G7 C  
We gather together to ask the Lord's blessing,  
Am D7 G  
He chastens and hastens His will to make known;  
G7 C G7 C  
The wicked oppressing cease them from distressing,  
C7 F C G7 C  
Sing praises to his name, He forgets not His own.

C G7 C  
Beside us to guide us our God with us joining,  
Am D7 G  
Ordaining, maintaining His Kingdom divine,  
G7 C G7 C  
So, from the beginning, the fight we were winning,  
C7 F C G7 C  
The Lord is at our side, the Glory divine.

C G7 C  
We all do extol thee thou leader triumphant,  
Am D7 G  
And pray that thou still our defender will be,  
G7 C G7 C  
Let thy congregation escape tribulation,  
C7 F C G7 C  
Thy name be ever praised, O Lord make us free.
